Dear Parents,

Your child will be participating in the 2018 administration of the Cognitive Abilities Test (CogAT) which measures students' verbal, quantitative, and nonverbal reasoning abilities. The results of this test will help assess how well your child is performing and assist with plans to meet your child's academic needs.

The administration will be delivered as follows:

- Wednesday, September 12, 2018: Verbal Battery - Sections 1, 2, & 3
- Thursday, September 13, 2018: Quantitative Battery - Sections 4, 5, & 6
- Friday, September 14, 2018: Nonverbal Battery - Sections 7, 8, & 9

Thank you for making sure your child is present and on time each of these days. Our staff wants to provide your child with the best opportunity to be successful. Since the formal testing environment cannot be duplicated in a make-up session, it is to your child's advantage to be at school during these scheduled test days. Once testing has begun each day, no child will be allowed to enter the classroom tardy.

Although no studying or preparation is necessary for this test, the following recommendations should help your child do his/her best each day:

- Get plenty of rest
- Eat a healthy breakfast
- Be at school on time
- Be prepared (glasses if needed)

Thank you very much for encouraging and supporting your student during testing. If you have any questions or concerns, please contact Melissa Torrens at Melissa_Torrens@gwinnett.k12.ga.us

Sincerely,

Melissa Torrens
