

A Typical Day for an Online Learner

Students at **Gwinnett Online Campus** are encouraged to take charge of their learning and create an educational experience that fits with their family and extracurricular obligations. Each student at **Gwinnett Online Campus** will have a slightly different approach to completing assignments and participating in coursework and class activities. Below is what a typical day may look like for a successful online learner at GOC. Please note that the curriculum presented at **Gwinnett Online Campus** will require just as much of a time commitment as courses in brick-and-mortar building. As with traditional classes, students must manage their time appropriately and implement good study skills.
